Hi Beth, I have forwarded the request to NOAA FOIA to enter into FOIAonline (FO), which will generate a FOIA request number and FO will notify Cathy of that number. I asked McLemore to assign an attorney to the request, and he selected Cheryl Scannell.

When despair for the world grows in me / and I wake in the night at the least sound / in fear of what my life and my children's lives may be, / I go and lie down where the wood drake / rests in his beauty on the water, and the great heron feeds. / I come into the peace of wild things / Who do not tax their lives with forethought / of grief. I come into the presence of still water. / And I feel above me the day-blind stars / waiting with their light. For a time / I rest in the grace of the world, and am free.
