

NOAA Award: NA20GOT9980097

Project Title: A More Effective Way to Manage our Climate

From: grantsonline.notifications@noaa.gov

To: Arthur.rep10@science_systems.com

The above referenced Financial Assistance Award supported by NOAA ended on 2020-06-17 18:26:17.0. All received reports have been reviewed, and accepted as final in the format presented and in accordance with 2 CFR 200.344. As this award is officially closed, the option to re-open is not available. Any remaining funds not used or drawn down during the award period will be de-obligated. Your files should be kept intact for a period of three years from the date of the final Financial Status Report or until a final audit resolution (if applicable) is reached.
