Good Afternoon,

Attached please find the weekly report.

Incoming:

Vanguard Law submitted a request seeking all communications, of any kind, for approximately two months between a list of named individuals in NMFS Management and individuals on the Fisheries Management Councils. (DOC-NOAA-2018-001745).

Litigation:

In the *AWI v. NOAA* litigation, NOAA is preparing to file its Motion for Summary Judgment with a supporting Declaration and *Vaughn* index, which will likely be provided to the AUSA this Friday, will be filed with the Court by July 19. The original request sought records related to the Permit for Tilikum the orca whale. A copy of the original request and Complaint filed in DDC are attached.

In the *SGM v. DOC* litigation, NOAA completed the review of another 1400 records and made its July interim release to the Plaintiffs. The original request sought records regarding weather modification and the reason for the adoption of the confidentiality provision in the "Operations and Workforce Analysis" (OWA) Project. A copy of the original request and Complaint filed in DDC are attached.
