Hello Clete,

Below please find Cause of Actions response to the fee waiver denial with their clarified scope to their request. Clete, if you can update the submission details with the updated scope, I think this is ready for the search we had talked about.

Mr. Graff,

I hope that this e-mail finds you well. I have received your recent denial of CoA Institute's fee-related requests for FOIA request No. 2018-001058. In the denial letter you also indicated that the agency required clarification as to the scope of Items One and Four. Please find attached a letter providing the requested clarification. I am happy to discuss this matter further if there is still any ambiguity or confusion.

Kind regards,

Ryan Mulvey
