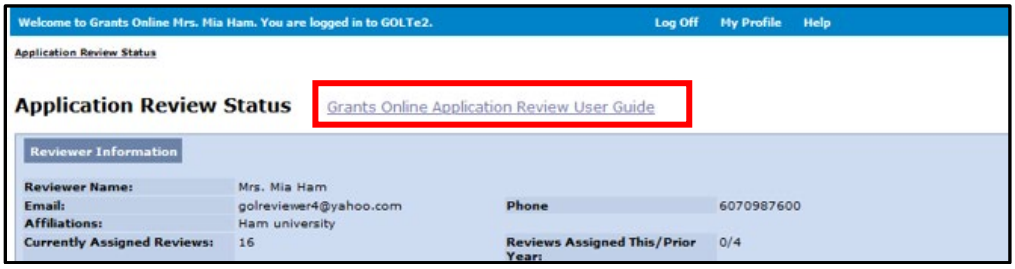
Release Notes for Grants Online Version 5.09
Date Deployed*:* October 14, 2022

Global

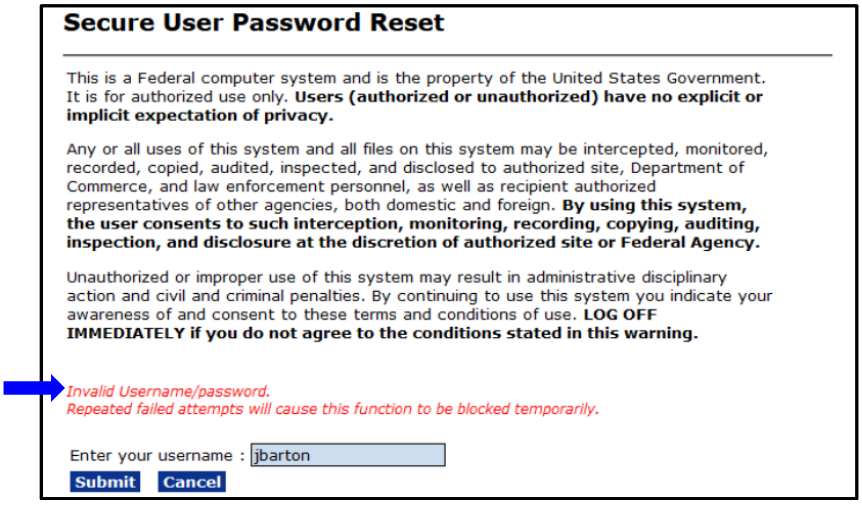
1. The Guidance link to the Application Reviewer's Quick Reference Guide when logged into Grants Online now navigates the user to the correct document. This document was last updated on April 2022. [JIRA: NGO-1249]



2. The start date and the end date data elements on the Review Event, Competition and Amendment pages are now validated to ensure they conform to the mm/dd/yyyy format. [JIRA: NGO-1316]

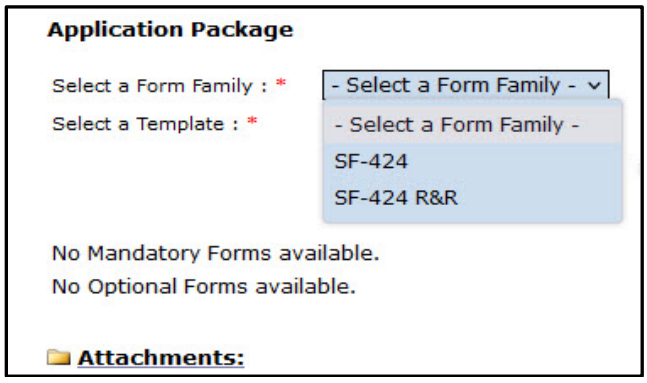
3. When double quotes or single quotes are entered for the Statutory Authority and Project Description/Abstract (PO Checklist); or the Project Title and Project Description (Amendment), the invalid characters will be removed from the data elements. [JIRA: NGO-1317]

4. When an inactive user attempts to reset the password for his/her account, a message is displayed that the username/password is invalid. [JIRA: NGO-1322]

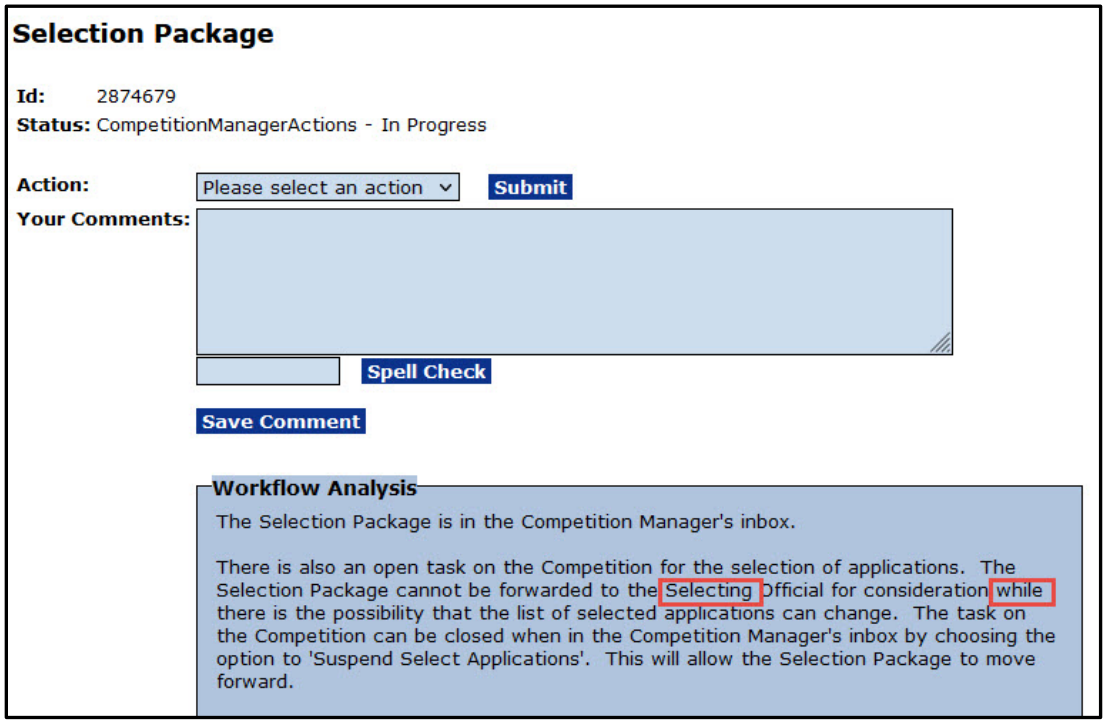


RFA

1. The SF-424 Individual & SF-424 Short have been removed from the Application Package dropdown menu; there is no template for those forms. [JIRA: NGO-1251]

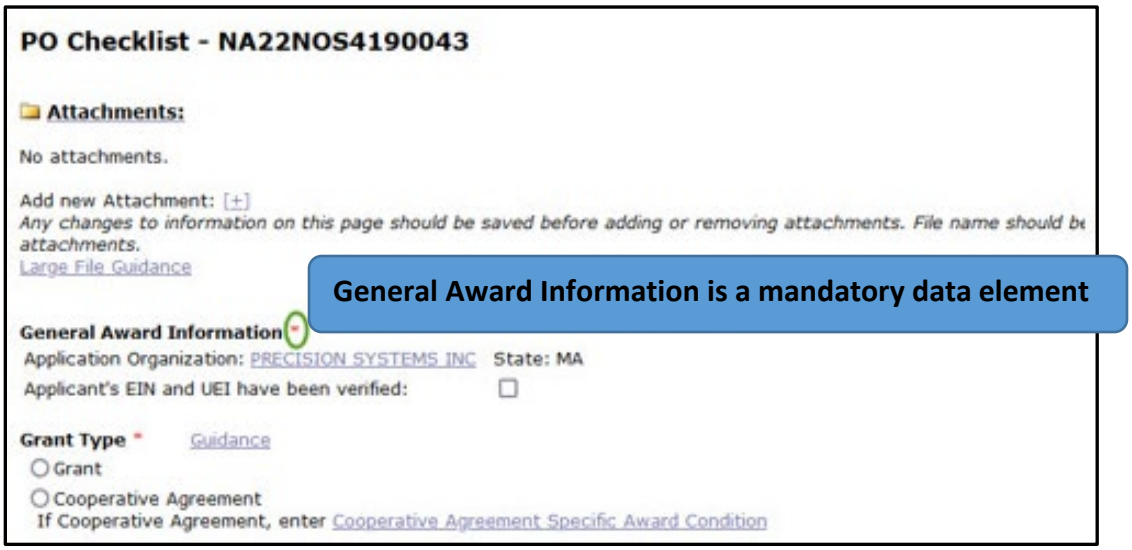


2. The spelling errors in the Competition Manager's Workflow Analysis have been corrected. [JIRA: NGO-1267]

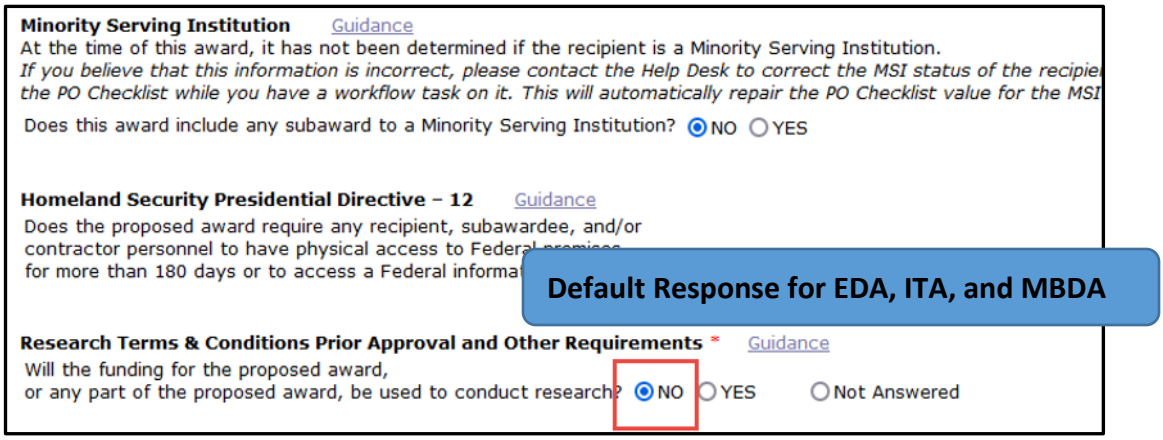


Application

1. The red asterisk (*) associated with the data element ***Applicant's EIN and UEI have been verified*** has been moved to the level of the **General Award Information** header. [JIRA: NGO-1121]

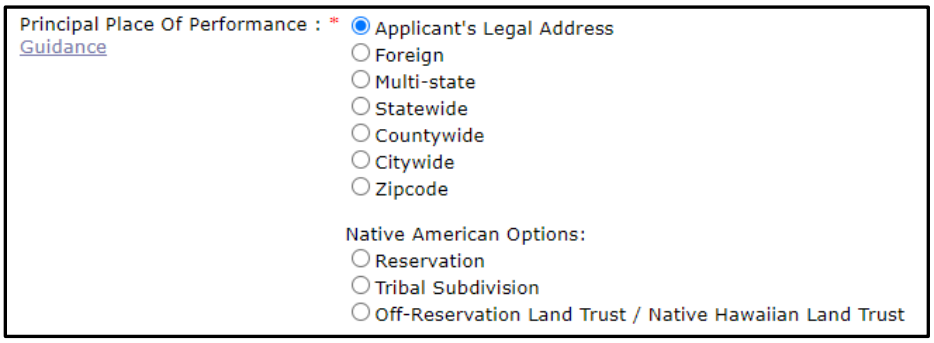


2. On the PO Checklist, the ***Research Terms & Conditions Prior Approval and Other Requirements*** data element's default response is "**No"** for EDA, ITA, and MBDA. [JIRA: NGO-1250]



3. The underlying logic has been modified to ensure the Principal Place of Performance (PPoP), a data element on the SF-424, is accurately assigned. There is underlying logic to support the accurate assignment of the various components of the PPoP (e.g., city, county, zip code, and Congressional District). Accurate assignments are also made for the following unique entities:
    a. Native American locations (see the screen image below)
    b. U.S. territories: Marshall Islands, Virgin Islands, American Samoan, and Micronesia)
    c. Foreign Countries
    d. State-wide

    [JIRA: NGO-1314]



Award

1. When an award file is withdrawn or rejected, the associated Specific Award Condition(s) (SAC) are also deleted. [JIRA: NGO-1302]

2. The PDF of Specific Award Conditions was modified to display Administrative SACs first; followed by Programmatic SACs. Within each of the two categories, SACs are listed in the order they were created. [JIRA: NGO-1320]

PMO

1. While on the GMD Checklist, a user can click on the **View/Manage Recipient Organization** link to navigate to the Organization Profile page. The user can return to the GMD Checklist landing page without having to use the breadcrumbs. In addition, a Cancel button was added to the bottom of the Organization Profile page. [JIRA: NGO-1105]
