**Subject:** Re: DoD, meet the new NMFS rep!

Hi Peter, (b)(6), and (b)(6).

I am looking for all Integrated Natural Resources Management Plans (INRMPs) on green turtles. Would you help me to "get the word out" by forwarding this email to others who may have knowledge of INRMPs or green turtles in their regions? Thanks! Jenny

The National Marine Fisheries Service the US Fish and Wildlife Service (together, the Services) are discussing potential critical habitat for our proposed green sea turtle distinct population segments. We have not yet identified critical habitat areas, but before we do, we would like to know what Integrated Natural Resources Management Plans (INRMPs) are available for green turtles. Under the Endangered Species Act, we do not designate critical habitat on DoD areas where we conclude that an INRMP provides a benefit to the species:

(B)(i) The Secretary shall not designate as critical habitat any lands or other geographical areas owned or controlled by the Department of Defense, or designated for its use, that are subject to an integrated natural resources management plan prepared under section 101 of the Sikes Act (16 U.S.C. 670a), if the Secretary determines in writing that such plan provides a benefit to the species for which critical habitat is proposed for designation (16 U.S.C. 1533(a)(3)(B)(i)).

If you have an INRMP that includes green turtles, or if you plan on adding green turtles to an existing INRMP, please contact me at [jennifer.schultz@noaa.gov](mailto:jennifer.schultz@noaa.gov) (301-427-8443).

Thanks,

**Jennifer Schultz, Ph.D.**

Welcome Jenny!

Basically, I do the bureaucratic policy stuff; (b)(6) and (b)(6) get to have all the fun. Seems to work.

Subject: DoD, meet the new NMFS rep!

(b)(6) Peter and (b)(6) -

I just wanted to introduce you to Dr. Jenny Schultz. She is replacing Therese Conant as the NMFS rep to PARC's Federal Agency Steering Committee.

She is working on designating critical habitat for Green Sea Turtles and was interested in reaching out to DoD.

Jenny, Dr. (b)(6) is the Sr. FASC Co-chair and his title in DoD is Sr. Natural Resources Specialist. Peter is the Deputy Director for Natural Resources. (b)(6) is the DoD PARC Program Manager.

Here is a link to DoD PARC (<http://www.dodnaturalresources.net/DoD-PARC.html>) and I also attached their strategic plan to this email.

Thanks! And welcome aboard!!

Jen
