Subject: Re: are you in receipt of a CD from the USAF 45th Space Wing for NMFS review of the 45th Space INRMP update

Yes we have received the information. However, due to on-going work load issues, we do not anticipate reviewing the document unless the USAF is requesting ESA consultation.

Thank you,
Rachel

Good afternoon,

On behalf of the USAF 45th Space Wing (45 SW), I sent a CD on Wednesday, November 26th to the attention of Ms Rachel Sweeney that includes files related to the 45 SW updated Integrated Natural Resources Management Plan (INRMP). This electronic version of the document was provided to your office as part of the review process identified under the Sikes Act.

Is your office in receipt of this CD?

I look forward to your response.
